Professional Summary

Motivated Computer Science Engineering student with hands-on experience in Java, Web Development, and Database Management. Skilled in building responsive web applications and desktop-based management systems using HTML, CSS, JavaScript, Java, and MySQL. Passionate about Frontend Development and UI Design with strong problem-solving and teamwork abilities.

Education

Sagar Institute of Science and Technology <i>Bachelor of Technology in Computer Science and Engineering — CGPA:7.20</i>	Bhopal, India 2024 – 2028
Ursuline Intermediate College <i>Senior Secondary (Class XII) — Score: 70%</i>	Ranchi, India 2023
Salwain Public School <i>Secondary (Class X) — Score: 59%</i>	Ranchi, India 2021

Technical Skills

Programming Languages: Java, C++, C
Frontend Development: HTML5, CSS3, JavaScript
UI/UX & Design: Figma (Basic), UI Design Principles
Backend & Database: JDBC, MySQL, Database Connectivity

Projects

Clinic Management System <i>Java, JDBC, MySQL, Swing</i> – Developed a desktop-based healthcare management application to automate clinic operations. – Designed modules for patient registration, doctor management, appointment booking, billing, and records. – Integrated MySQL database connectivity using JDBC for secure data storage and retrieval. – Implemented role-based login system for admin and users. – Improved workflow efficiency by replacing manual record handling.	2026
TrendWear — E-Commerce Website <i>HTML, CSS, JavaScript</i> – Built a responsive e-commerce clothing website with modern UI design. – Created product listing, shopping cart, and interactive user interface features. – Applied Flexbox and CSS Grid for responsive layouts across devices. – Implemented JavaScript functionality for cart updates and product interaction.	2025
Portfolio Website <i>HTML, CSS, JavaScript</i> – Designed and developed a personal portfolio website showcasing projects, skills, and certifications. – Created responsive layouts and modern UI components using CSS and JavaScript. – Improved user experience through clean navigation and visual design principles.	2025

Certifications & Achievements

- **Programming in Java – NPTEL — Elite Certification — Score: 90%**
- **Smart India Hackathon (SIH)** — National Level Innovation Challenge Participant.

Extracurricular Activities

- Actively participated in college technical and cultural events, demonstrating cross-functional teamwork and communication skills.
- Engaged in continuous self-learning in programming, web development, and software engineering practices beyond the academic curriculum.
